

MT Pro Baby Pin Mounting Bracket Data Sheet

Main Features

- **Stainless Steel Knurled Baby Pin** (16mm / 5/8in) for Higher Durability and Stability
- **Secure Locking Clamp** Latches Tightly onto the Back of MT Pro
- Features **1/4"-20 Thread** at Base of Baby Pin to Allow for More Mounting Options

Target Audience

For users who require a more secure mounting solution for their Aputure MT Pro, the MT Pro Baby Pin Mounting Bracket is an ideal accessory to add to their toolkit. This mounting bracket secures tightly to the back of the MT Pro and allows the fixture to be mounted onto heavier fixtures that offer baby pin receivers such as C-Stands and other clamps; This mounting bracket belongs in the toolkit of any MT Pro user.

Specifications

Dimensions	13.0 x 6.8 x 2.6cm 5.1 x 2.7 x 1.0in
Weight	0.28kg / 0.61lbs

Product Description

The Aputure MT Pro Baby Pin Mounting Bracket offers a secure way of mounting your MT Pro onto light stands and gobo heads. A locking clamp, designed specifically to slip onto the back of an MT Pro, safely holds the fixture in place and features a stainless-steel knurled Baby Pin (16mm / 5/8in) on the other end. Additionally, a 1/4-20in thread is included in the base of the Baby Pin, which provides for more mounting options.
