

MC 12-Light Production Kit

Product Description

The 12-light production kit comes with a custom hardshell wireless charging case to protect and conveniently charge your MCs wherever you go. Make your workflow as efficient as possible.

The 12-Light Production Kit was made for owner-operators and rental houses, including not only an accessory drawer built into the case, but also enough lights to pull off the unimaginable. Just plug in a D-Tap or power cable, and you're ready to go.
