

Product Descriptions

The Lighting Clamp was designed by Aputure to securely attach products, such as control boxes or battery power stations, to lighting stands, or any other secure mounting point.

Compatible devices have the Lightning Clamp Quick Release Plate built into the structure of the light. However, for fixtures that do not have a built-in quick release plate, the Lightning Clamp is also compatible with Aputure's Male V-Mount Quick Release Plate. This V-Mount QR plate can be inserted into any V-Mount Battery Receiver, such as the LS C120d II, and then be attached to the Lightning Clamp. This provides a secure mounting method for any Aputure fixture.

Parameters

Name	Aputure Lightning Clamp
Item Number	AP0148
Model Name	Aputure Quick Release Clamp
Series	LED Video Light Accessory
UPC	6971842180561
SKU	APQ0148A30

Dimensions

Clamp Size	12.5x10.35x8.74cm / 4.92x4.07x3.44in
Package Size	16.2*13.5*10.3cm / 6.38*5.31*4.06in
Net Weight	714g / 1.57lbs
Gross Weight	1006g / 2.22lbs
Carton Qty	12pcs
Carton Weight	12.9kg / 28.44lbs
Carton Dimension	44.5*35.6*23cm / 17.52*14.02*9.06in
